

★ **PUNCH IS A TRULY NEAPOLITAN EXPERIENCE.** We're dedicated to serving you the finest, most authentic Neapolitan pizza this side of the Mediterranean. We start with tomatoes, fresh mozzarella and our secret pizza dough, then fire your pizza in our wood-burning oven to a blistering 800 degrees. ★

Punch is the English translation of Pulcinella, a clown-like character from Italy's commedia dell'arte and the symbol of authenticity for Neapolitan Pizza.
